Sec. 46-2 - Parking and driving of motor vehicles on private property

(a) Purpose. The city council has determined that the regulation of parking and driving motor vehicles on private property is necessary and desirable in order to assure adequate ingress and egress for fire trucks and other emergency vehicles to operate adequately in such areas and to otherwise provide for the government and good order in the city, the prevention of crime, the protection of private property, the benefit of residents, trade and commerce, and the promotion of health, safety, order, convenience and the general welfare.

(b) Parking restrictions. No person shall stop, stand, or park a motor vehicle at any place on any private driving area within the city where official signs prohibit such.

(c) Sign installation. The official signs shall be installed after passage of a resolution by the city council stating the specific area on which parking is to be prohibited, after finding that the parking prohibition is necessary and desirable in order to protect private property and
promote the health, safety, order, convenience and general welfare and that the area regulated is affected with the public interest.

(d) **Driving restrictions.** No person shall operate a motor vehicle on any privately owned parking lot or area within the city at a speed greater than is safe and reasonable under the conditions of traffic existing and in no event shall any such vehicle be operated in excess of a speed of 15 miles per hour. All operation and driving of motor vehicles on parking lots shall be done in a careful manner so that no sudden starting or erratic movement of such vehicle is deliberately engaged in by the driver. It shall be unlawful for any person to operate any motor vehicle upon such lot in any manner that would constitute careless driving if done on a public street. No person shall engage in any drag racing or exhibition driving on any such parking lot or area.

(e) **One-way traffic signs.** No person shall drive a motor vehicle into or out of a privately owned parking lot into a public street where official one-way traffic signs prohibit such driving. The official signs shall be installed after passage of a resolution by the city council stating the specific area on which driving is to be regulated and the terms of the regulation and finding that the regulation is necessary and desirable in order to protect private property and promote the health, safety, order, convenience and general welfare and that the area regulated is affected with the public interest.

(Code 1993, § 7-2.01)

**Sec. 46-3 - Prohibiting motorized vehicles on public walkways and pathways**

(a) **Prohibited.** No person shall ride, propel or move a motorized vehicle upon any public walkway, pathway or sidewalk.

(b) **Load limits.** No person shall drive any vehicle of any kind which has a gross weight on any single axle, (as defined in Minn. Stats. § 169.83) exceeding three tons, on any of the public streets in the city at a time when Ramsey County designates load limits for county roads. Contractors will be notified of weight restrictions by information provided on building permit forms.

(c) **Exceptions.** The provisions of subsections (b) and (c) of this section shall not apply to fire apparatus, snowplowing equipment, buses, garbage trucks, road maintenance equipment or emergency vehicles of public utilities used incidental to making repairs.

ARTICLE II - PARKING

Sec. 46-26 - Removal of motor vehicles

Any motor vehicle parked in violation of this chapter may be removed without notice to the owner or operator, by any employee of the county highway department, any police officer, or any person, firm or corporation employed or designated for this purpose by the city. The motor vehicle so removed may be towed to and stored in any parking lot or garage designated by the city or its policing agency. Payment of the towing and impound charges shall not relieve the owner or operator from payment of the fine or penalty for violation of this chapter or any other applicable ordinance of this city.

Any motor vehicle parked on a public street of this city during a period of snow removal, as specified in detail herein, is declared to be a public nuisance which interferes with and impedes the orderly removal of snow from said streets, interferes with and impedes the safe movement of emergency and other vehicular traffic, and is thus a danger to the health, safety and welfare of the inhabitants of this city.

(b) Parking restrictions during snow removal. Parking of a motor vehicle on an unplowed public street or within 30 feet of an intersection during a snow removal period shall be prohibited. The term "snow removal period" means:

2. Until a street has been plowed full-width; whichever comes first.
