D. DISCUSSION
1. Proposed Resolution Updates
   • Council Liaison provided updates on why the council did not approve the resolution.
     • It targets a certain person.
     • It is more of a federal, national, and state level than local.
     • It is a negative-to-negative affect than negative to positive/hate with love.
     • In conclusion: CEC members agreed to draft a new resolution that focuses on hate speech and bring it to the council in 2020.
       • The resolution will create a positive effect on the city.
       • Create a community conversation to help draft the resolution that reflects the city.

2. Human Rights Day Updates
   • This year’s theme is on Hate Speech but it is hard to find speakers for the event. The Plan B topic is Food Security/School Lunch Debt/Lunch Shame, which was discuss at the July meeting.
   • Chair will continue to reach out to MDHR for Hate Speech speakers while staff finds speakers on Food Securities.
   • The deadline is the October 21 meeting.
